

Record your lecture in Connect with Tegrity

Video: CLICK TO VIEW

With any Connect course, you have access to **Tegrity**, which is our lecture capture system.

You can access Tegrity from your section dashboard by scrolling down along the right-hand side of the page and selecting **Launch lectures**.

ВΝ	Week 1 Homework				
5	Start - Due 5/12/22 - 5/19/22	Points 30	Student progress	Essentials of Economics Edition: 5 Author: Stanley Brue

				Launch lectures (i)	

You can also click the information button to the right to be presented with a popup box with more information on lecture capturing, push launch lectures when ready to proceed. Tegrity will open in a new window. Click **start a recording** in the top right-hand corner of your screen. The first time recording with Tegrity, you will be prompted to install the Tegrity recorder.

Once installed, you will be prompted with a popup box to choose the course that the recording should appear under, and title your recording. You can select a picture, have the video feed of you during the presentation or you can just leave it blank. You can test your audio to make sure that your volume is going to be audible to the students and adjust the settings accordingly. Click **Record** when ready.

Hello, Ka	tie Instructor	(Chang	e User)
Course:	Economics 101: Conne	ect 101	~
Title:	Fri, May 27, 12 55 PM

		Audio Leve	ed I
Instruc	tor Video		

Support and Resources EMAIL & CHAT: <u>WWW.MHHE.COM/SUPPORT</u> SUPPORT AT EVERY STEP A popup box will appear with the ability to pause, stop, and track your volume while recording. You can tell you are recording when you see this popup box with control options, when you are finished recording, push the stop button on this box.

You will then receive another popup box; push save and upload to upload in the background. You will receive a notification that the recording will be uploaded in the background and will be available later.

Once your lecture has been processed, you will see it available within Tegrity.
