Step 1

Login in to your Canvas account and navigate to your course.

If you are not sure if you have a Canvas account, please ask your instructor.

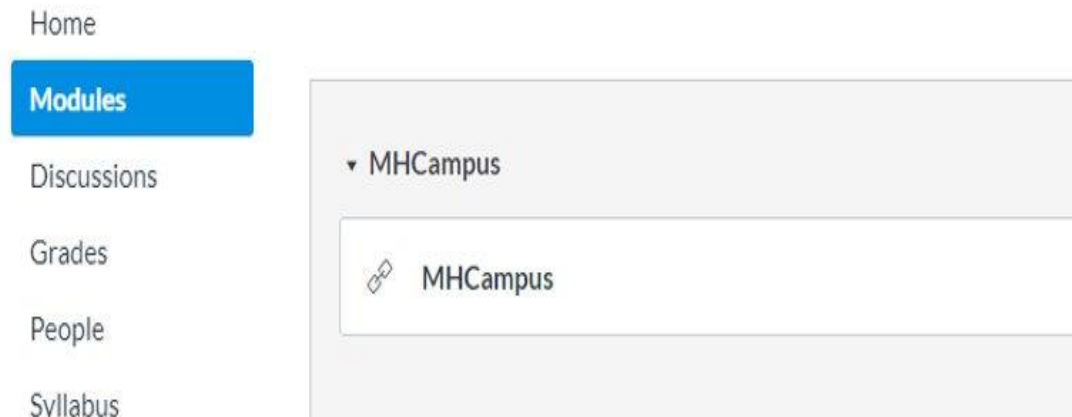

A screenshot of the Canvas login page for instructors. The page has a dark blue background. At the top left is the Canvas logo (a red circle with white dots) and the word "canvas" in white. Below the logo are two white input fields: "Email" and "Password". The "Email" field contains a single character. Below the "Password" field is a checkbox labeled "Stay signed in" and a "Log In" button. Below the "Log In" button is a link that says "Forgot Password?". At the bottom of the page, there are links for "Help", "Privacy Policy", "Accessibility Policy", "Feedback", and "Sign Out". The word "INSTRUCTOR" is displayed in white capital letters at the bottom center.

Step 2

Now you'll want to find the McGraw-Hill Campus link under Modules.

Once you have found the link, go ahead and click it to start the registration process.

Step 3

If this is your first time using McGraw-Hill Campus, you will need to agree to the terms of service and privacy policy and then click **Get Started**.

Then click on the **Connect** button to continue.

Step 4

On the next screen, you can look up your account or create an account if you need to.

Enter in your email address and click **Find my account**.

We recommend using your school email address so that all of your courses are in one Connect account.

If you registered for a McGraw-Hill Education (MHE) online product previously, use that e-mail. Not sure? Enter the e-mail you regularly use for school activities. We'll attempt to find your account. If found, you'll need to complete a few steps to begin using your LMS credentials.

Step 5

If you are a new Connect user, a link to **Create a new account** will appear below the email form field. Click this link.

On this next screen, click **Complete Registration**.

We did not find an account with that email address. If this is your first time registering for a McGraw-Hill Education online product, click "create a new account." Otherwise, please try a different email address and click "Continue." You may also click "Get help" to allow us to confirm your account status.
