4. Click the + sign under Course Content where you want the assignment to appear and select **Content Market**

5. Click on the SIMnet link under Used in this course

6. The left-hand panel is the list of assignments in your SIMnet class. Click and drag the assignments on the left panel into the root on the right-hand panel. You can drag as many assignments as you want over to the right-hand panel.

7. When you are ready to deploy the assignments that you have dragged over to the righthand panel, click the green **Finish Deploy to Blackboard** button.
