

SIMnet Student Registration

Benefits of Registering

What do you get when you register for SIMnet?

- Hands on practice with the tools you will need in your career.
- Practical training in programs from Microsoft Office to Office 365.
- Practice with real world applications that are used in businesses around the world.
- Life-long access

Step 1

Login in to your Blackboard account and navigate to your course.

If you are not sure if you have a Blackboard account, check with your instructor.

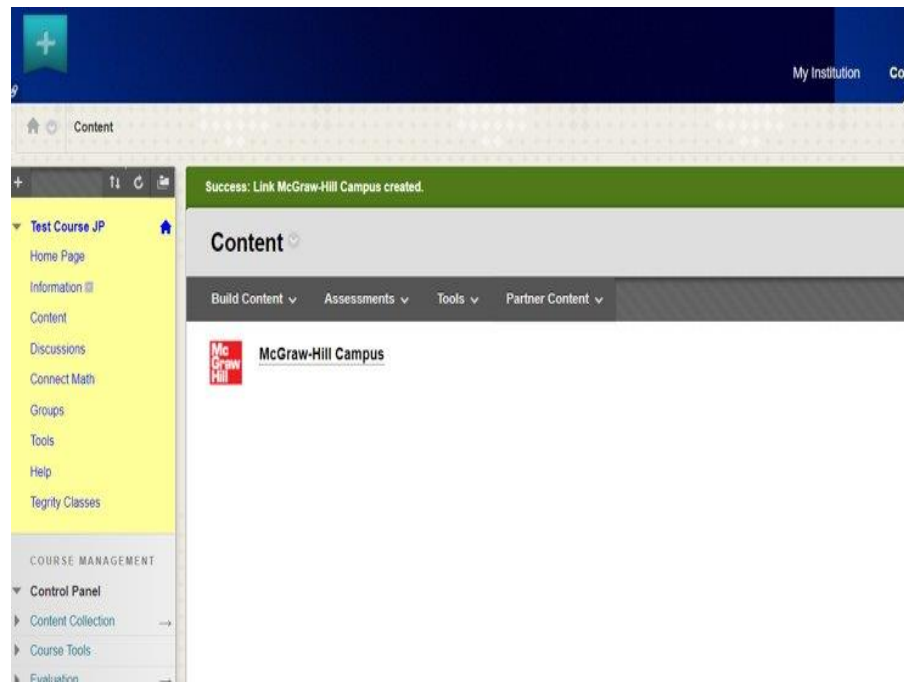

A screenshot of the Blackboard login page. The page has a light beige background with a subtle pattern of small dots. At the top, the "Blackboard learn+" logo is displayed. Below the logo, there are two input fields: "USERNAME:" and "PASSWORD:". Below the password field is a blue "Login" button. To the right of the login button is a link that says "Forgot Your Password?".A screenshot of the Blackboard dashboard page after a successful login. The page is divided into several sections. On the left, there are two main sections: "My Announcements" and "My Organizations". The "My Announcements" section shows two announcements, both stating "No Institution Announcements have been posted in the last 7 days." and "No Course or Organization Announcements have been posted in the last 7 days." The "My Organizations" section states "You are not currently participating in any organizations." On the right, there are two main sections: "My Courses" and "On Demand Help and Learning Catalog". The "My Courses" section shows a list of courses where the user is a student, with "Fundamental Accounting" highlighted by a red circle. The "On Demand Help and Learning Catalog" section provides information about the On Demand Learning Center, including links to "Learn More" and "Get Started".

Step 2

In your course, you'll need to find the McGraw-Hill Campus link. If you're not sure where to find the link, just ask your instructor.

Once you've located the link, go ahead and click on it.

Step 3

If this is your first time using McGraw-Hill Campus, you will need to agree to the terms of service and privacy policy and then click **Get Started**.

Then click on the **SIMnet** button to continue.

 **Campus** Welcome to McGraw-Hill Campus!

Hi Test Student -

Welcome to McGraw-Hill Campus, where you can easily access McGraw-Hill products and services you use in your courses.

Step 5

You have three registration options.

1. **Purchase Online:** Click **Buy online** to use a credit card or PayPal.
2. **SIMnet Code:** Enter SIMnet access code and click **Add my code**.
3. **Courtesy Access:** Click **Get courtesy access** for temporary two-week access.

Once completed, you will be taken to your course.

The screenshot shows the SIMnet registration interface. At the top, the McGraw Hill SIMnet logo is on the left, and the user name 'Stu1.Thuan' with a question mark icon and a 'SIGN OUT' link are on the right. Below the header is a 'Products' section. The main content area is divided into three columns, each with an 'OR' separator between them.

- PAY FOR ACCESS:** Text states that if you don't have a code, you can purchase instant access using a credit or debit card, or PayPal account. Upon payment, you will gain immediate access to your account. A 'Buy online' button is present, along with logos for VISA, MasterCard, Discover, and PayPal.
- ADD A REGISTRATION CODE:** Text states that you'll find your registration code on a card that either came with your textbook or that you purchased separately. There is a 'CODE' label, a text input field for 'Enter registration code', and an 'Add my code' button.
- COURTESY ACCESS:** Text states that you can activate courtesy access for immediate use, with an 8-day trial period after which you will not be able to submit assignments. Please use an option below for more permanent access before the trial expires. A 'Get Courtesy Access' button is present.
