

Apply the Skills Needed for Successful Careers

The Workplace Skills Practice Workbooks are built upon the College and Career Readiness Standards and are aligned to CCRS levels A-D. Designed to provide extra practice of core workplace skills, these consumable workbooks can supplement any CCRS-aligned contextualized academic skills and essential skills instruction or can serve as stand-alone materials for practicing these skills. The series includes nine workbooks in the subject areas of applied mathematics, locating information, reading for information, employability skills, and writing for work, each with workplace contextualization.

Prepares students for any workplace and helps them master specific skills employers require.

Helps meet WIOA requirements as part of career pathway-oriented activities implemented by eligible training providers.

Uses authentic workplace

contextualization to take learning beyond abstract academic skills and make it relevant to the student.

Aligned to the College and Career Readiness Standards as well as WorkKeys and Equipped for the Future essential skills standards.

Focuses on contextualized academic and essential skills while providing ample practice. Use with our other workforce education products for a comprehensive solution.
