# Peer Review Checklist

1. **Read** your peer's writing carefully. Take notes about what you liked, what you didn't understand, and what you think is the purpose for writing.

**My favorite part of this writing is:**

\_\_\_\_\_

**I think the most important thing to work on is:**

\_\_\_\_\_

**After reading, I think the purpose of this writing is to:**

\_\_\_\_\_

2. **Share** your notes with your partner. Begin with what you liked most. Say things like:

- "I think this part worked well because..."
- "You may want to add details here..."
- "I'm confused by this part. Can you give an example of..."

3. **Reflect** on the feedback you received. What did your peer say that you think is the most important for your writing?
