## New School-Wide Goal:

From 1/25/2021 thru 2/12/2021:

Increase the number of students who achieve 60+ minutes per week above your highest number set for this goal. Your highest goal was **13**, so that is your number to beat!

If you achieve this goal, you will be part of a special shout-out during our Feb. 17th staff meeting and your name will be entered into a drawing for one of our amazing new Whitney water bottles.
