Everything You Need to Plan, Teach, and Assess with Confidence

Teacher's Lesson Guide Volume 1 & 2

Time for Everything

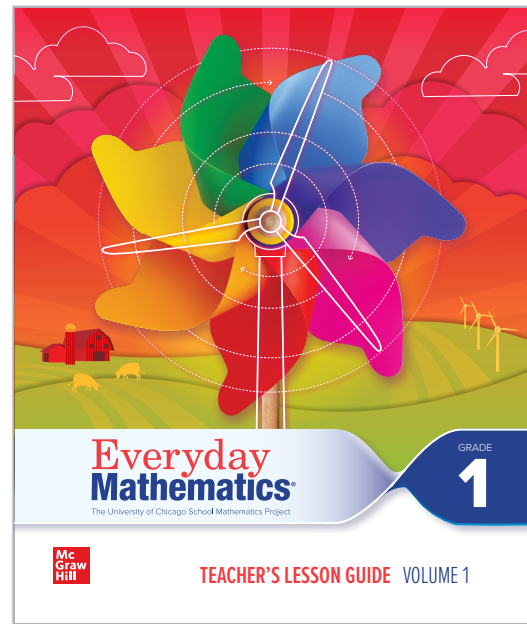

Streamlined lessons and pacing provide time for differentiation, assessment, and more. Differentiation included in each lesson at point-of-use.

Focused Instruction

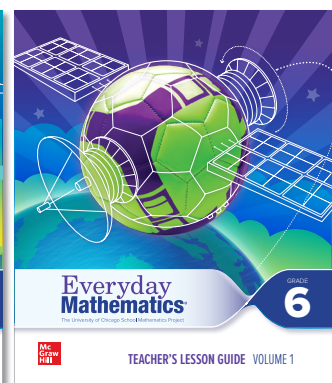

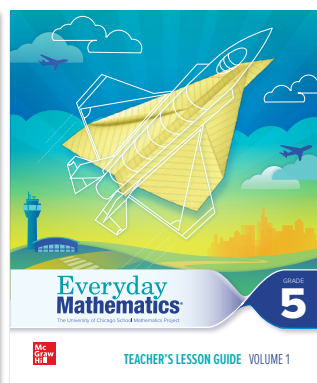

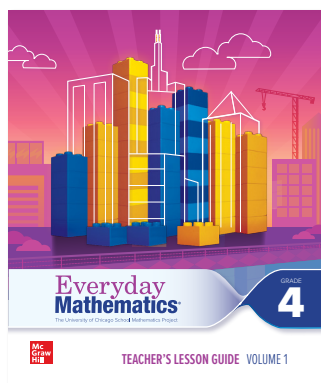

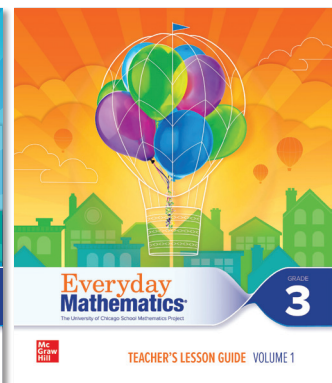

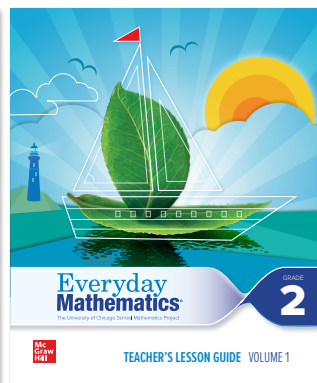

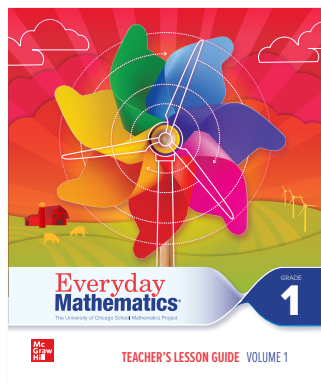

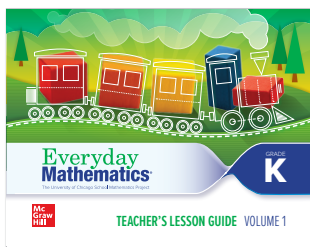

Every lesson, activity, and problem focuses on specific mathematics standards that are seamlessly integrated into instruction, helping to ensure mastery.

Prepare for Test Success

Open Response and Reengagement Lessons, embedded problem-solving, and daily facts practice prepare students for assessments.

Look in the front of your **Teacher's Lesson Guide** for information about implementing **Everyday Mathematics®**.

A Digital Experience for How You Teach

ConnectED Teacher Center

Multi-year subscription included with every Classroom Resource Package.

Always Accessible

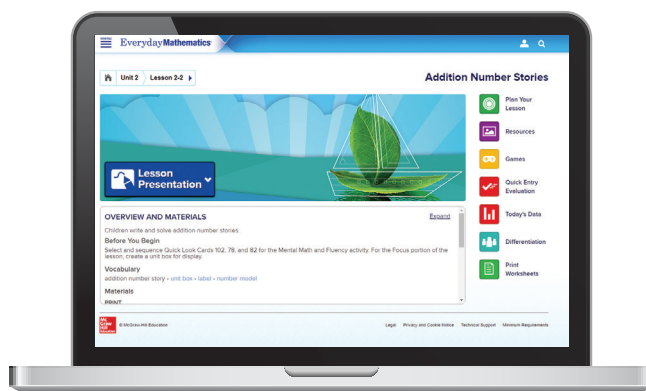

Plan and deliver instruction and assessments on a variety of devices.

Plan and Differentiate With Confidence

Use monitoring tools to review student performance and provide appropriate support.

Real-time Feedback and Reporting

View, respond, and evaluate student work in real-time for both auto-scored and authentic assessments.

A Digital Experience for How Children Learn

Student Learning Center

Subscription included with every Student Materials Set.

Interactive Learning Every Step of the Way

Students interact with digital versions of nearly every lesson activity, including Math Journals and assessments.

Support for Family

EM at Home makes it easy for families to help their child with access to lesson resources and more.

A Toolbox of Support

Digital manipulatives, Geometer's Sketchpad® activities, and tutorial animations are embedded at point-of-use to aid in completing assignments, activities, and assessments.

Everything Your Students Need to Succeed

Comprehensive Student Materials Set

GRADE K

My First Math Book

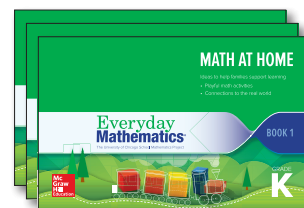

A flip-book format helps young minds organize and record their math understandings.

Math at Home, Books 1-3

Activity suggestions for families to help children develop strong math foundations.

Grade K Student Materials Set

Comprehensive Student Materials Set

GRADES 1-6

Student Math Journal, Volume 1 & 2

Focused concept and skill development, alongside ongoing practice, provides a long-term record of students' mathematical development. *Volume 1 is included in your sample. View Volume 2 pages in Teacher's Lesson Guide margins.*

My Reference Book GRADES 1-2

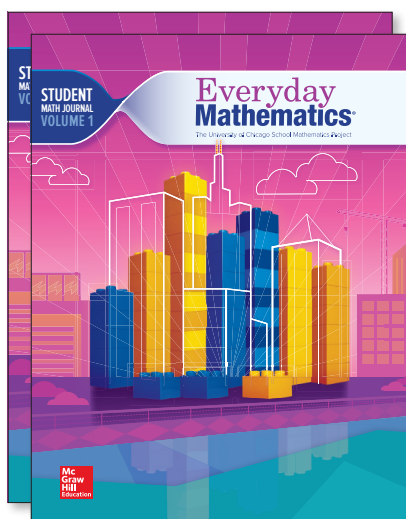

Student Reference Book GRADES 3-6

Explanations and examples to guide student learning of important mathematical concepts and skills in a hardback format.

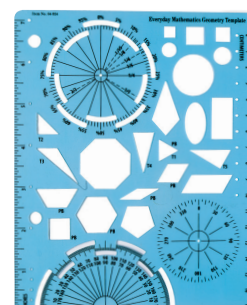

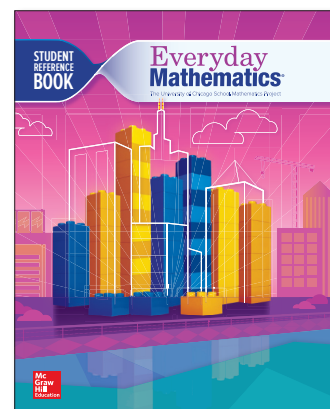

Pattern Block Template GRADES 1-3

Geometry Template GRADES 4, 6

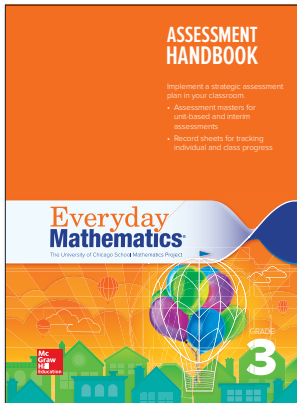

Hands-on support to develop deep understanding of various mathematical concepts.

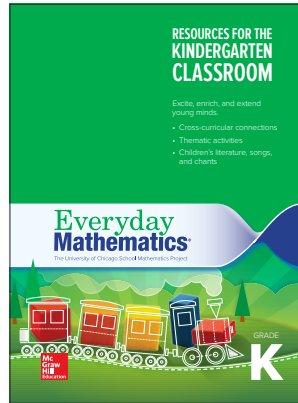

Grade 4 Student Materials Set

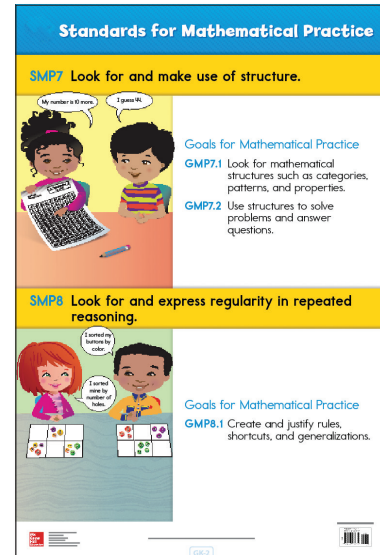

Classroom Resources to Support Instruction

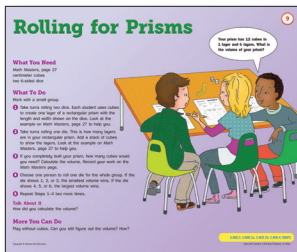

Assessment Handbook
Assessment opportunities to inform instruction.

Resources for the Kindergarten Classroom GRADE K
Thematic activities to bring math to life for young learners.

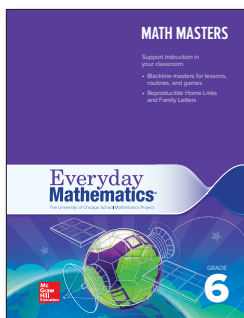

Standards for Mathematical Practice Posters
Engaging visual reminders to model desirable math behavior.
English and Spanish included.

Activity Cards
Self-guided activities to differentiate and extend the focus of each lesson.

Beyond the Box

Additional resources included in your Classroom Resource Package can be reviewed at everydaymath.com/products

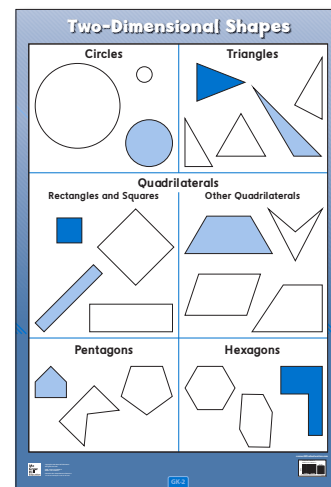

Math Masters
Reproducible masters to support your classroom instruction.
View pages in Teacher's Lesson Guide margins.

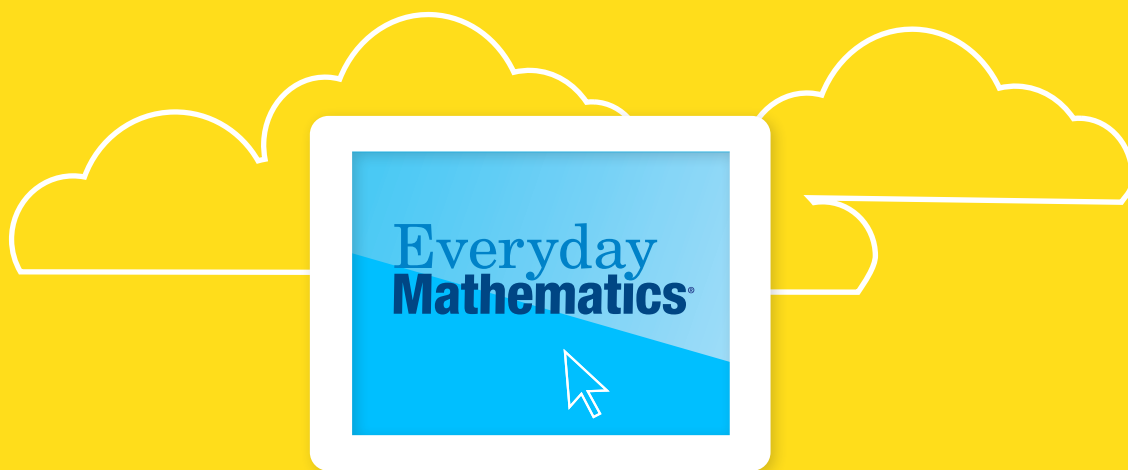

Minute Math GRADE K
Minute Math+ GRADES 1-3
Quick and easy activities to engage students.

Sing Everyday! Music CD GRADE K
Fun and engaging songs that support learning.

Grade Specific Content Posters
Visual aids to support student learning of important math concepts.
English and Spanish included.

Everyday Mathematics®. How Children Learn.

- Fully digital options that adapt to your classroom
- Gives each student the opportunity to achieve
- Connects math to the world outside the classroom
