MODULE PAGES

Here you will see the resources that your teacher has selected for you.

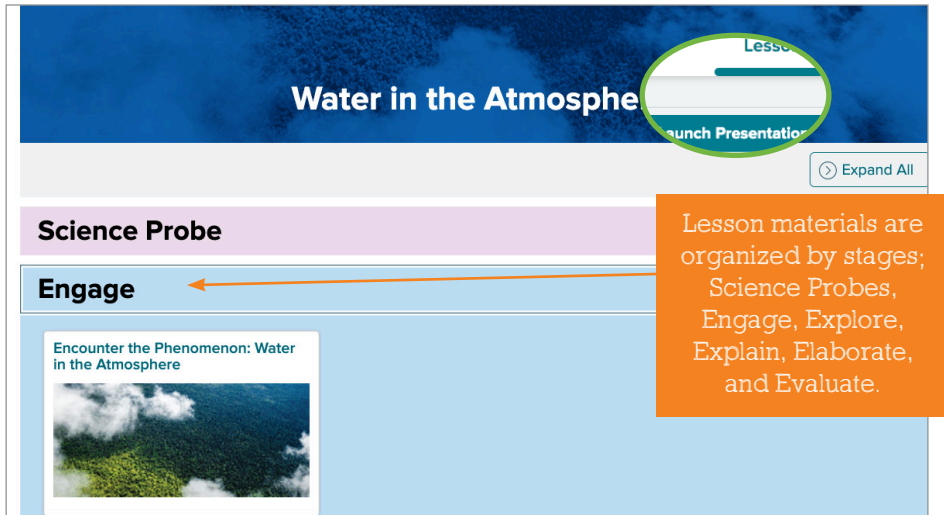

GO TO A LESSON

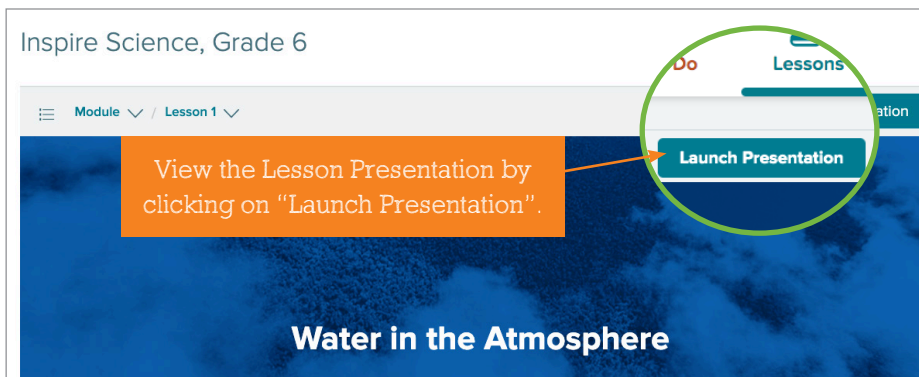

LESSON PAGES

Here you will find activities that your teacher has selected for you for the lesson.

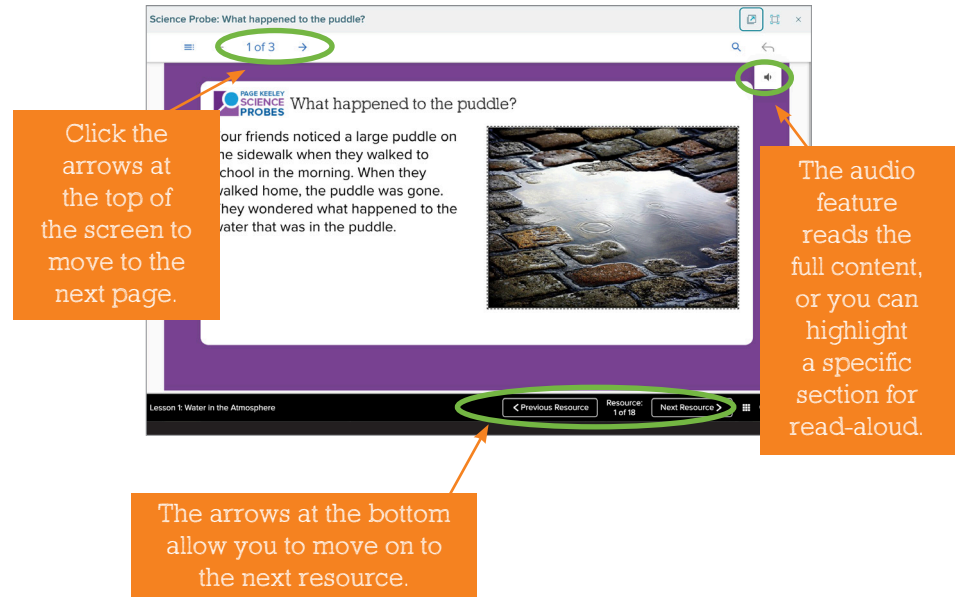

The screenshot shows the Lesson Page for 'Water in the Atmosphere'. At the top, there is a blue header with the title 'Water in the Atmosphere' and a 'Launch Presentation' button. Below this is a purple section labeled 'Science Probe'. Underneath is a light blue section labeled 'Engage', which contains a thumbnail image of a forest and the text 'Encounter the Phenomenon: Water in the Atmosphere'. An orange callout box points to the 'Engage' section, stating: 'Lesson materials are organized by stages; Science Probes, Engage, Explore, Explain, Elaborate, and Evaluate.'

LESSON PRESENTATION

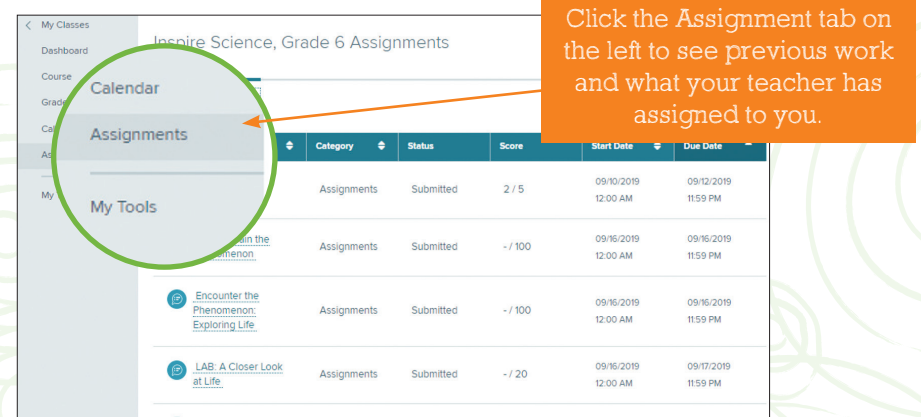

The screenshot shows the Lesson Presentation page for 'Water in the Atmosphere'. At the top, there is a blue header with the title 'Water in the Atmosphere' and a 'Launch Presentation' button. An orange callout box points to the 'Launch Presentation' button, stating: 'View the Lesson Presentation by clicking on "Launch Presentation".'

NAVIGATING THE PRESENTATION

The screenshot shows the Lesson Presentation navigation interface. At the top, there is a blue header with the title 'What happened to the puddle?' and a '1 of 3' indicator. Below this is a purple section with a text box and a photo of a puddle. An orange callout box points to the '1 of 3' indicator, stating: 'Click the arrows at the top of the screen to move to the next page.' Another orange callout box points to the '1 of 3' indicator, stating: 'The audio feature reads the full content, or you can highlight a specific section for read-aloud.' At the bottom, there is a black bar with 'Previous Resource' and 'Next Resource' buttons. An orange callout box points to these buttons, stating: 'The arrows at the bottom allow you to move on to the next resource.'

TO DO

The screenshot shows the 'To Do' page, which displays a list of assignments. On the left, there is a sidebar with a 'Calendar' tab and an 'Assignments' tab. An orange callout box points to the 'Assignments' tab, stating: 'Click the Assignment tab on the left to see previous work and what your teacher has assigned to you.'
