

# Table of Contents

## UNIT 1

# Living Things

## Module: Plants and Animals

### MODULE PLANNING RESOURCES

Three-Dimensional Learning .....	2A
Performance Expectations .....	2B
Disciplinary Core Idea Progressions .....	2C
Three Dimensions at a Glance .....	2D
Module Planner .....	2E
Inquiry Activity Planner .....	2G
Inspire All Students .....	2I
 Discover the Phenomenon .....	2
STEM Connection .....	4

## Lesson 1: Living and Nonliving

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	8A
Lesson at a Glance .....	8C
 Discover the Phenomenon .....	8
Inquiry Activity: Hands On Sort Things .....	10
Inquiry Activity: Hands On Gummy Worms and Earthworms .....	14
Inquiry Activity: Hands On Observe Your World .....	16

## Lesson 2: Plant and Animal Survival

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	20A
Lesson at a Glance .....	20C
 Discover the Phenomenon .....	20
Inquiry Activity: Hands On Plant Needs .....	22
Inquiry Activity: Simulation Rabbit Health .....	26
Inquiry Activity: Hands On Build a Bird Home .....	28

## Lesson 3: Places Plants Live

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	32A
Lesson at a Glance .....	32C
<b>Discover the Phenomenon .....</b>	<b>32</b>
Inquiry Activity: Hands On Cactus Plants in Water .....	34
Inquiry Activity: Hands On Where Plants Grow .....	37
Inquiry Activity: Simulation Which Plants Survive? .....	39

## Lesson 4: Places Animals Live

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	42A
Lesson at a Glance .....	42C
<b>Discover the Phenomenon .....</b>	<b>42</b>
Inquiry Activity: Hands On Animal Walk .....	44
Inquiry Activity: Hands On Where Animals Live .....	48
Inquiry Activity: Hands On Things Humans Need .....	50
STEM Connection .....	52
STEM Module Project .....	55
Science Challenge Make a Habitat .....	55
Module Wrap-Up .....	57

### TEACHER RESOURCES

Glossary .....	EM2–EM11
Index .....	EM12–EM13
Study Guide Foldables® .....	EM14–EM15
Visual Kinesthetic Vocabulary (VKV®) .....	EM16–EM17
Graphic Organizers .....	EM18–EM26

## Teacher Notes

## Table of Contents

### UNIT 2

# Our Changing World

## Module: Changes to the Environment

### MODULE PLANNING RESOURCES

Three-Dimensional Learning .....	2A
Performance Expectations .....	2B
Disciplinary Core Idea Progressions .....	2C
Three Dimensions at a Glance .....	2D
Module Planner .....	2E
Inquiry Activity Planner .....	2G
Inspire All Students .....	2I
 Discover the Phenomenon .....	2
STEM Connection .....	4

## Lesson 1: Plants Change Their Environment

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	8A
Lesson at a Glance .....	8C
 Discover the Phenomenon .....	8
Inquiry Activity: Hands On Plants Make Changes .....	10
Inquiry Activity: Data Analysis How the Environment Can Change .....	14
Inquiry Activity: Hands On Plants Help Soil .....	16

## Lesson 2: Animals Change Their Environment

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	20A
Lesson at a Glance .....	20C
 Discover the Phenomenon .....	20
Inquiry Activity: Demonstration Ant Habitat .....	22
Inquiry Activity: Simulation Moles Change Their Environment .....	30

## Lesson 3: People Change Their Environment

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	34A
Lesson at a Glance .....	34C
<b>Discover the Phenomenon .....</b>	<b>34</b>
Inquiry Activity: Hands On People Make Changes .....	36
Inquiry Activity: Hands On Change the Land .....	40
Inquiry Activity: Simulation People Change Land .....	44
STEM Module Project .....	49
Engineering Challenge Design a Beaver Dam .....	49
Module Wrap-Up .....	51

## Module: Protect Earth

### MODULE PLANNING RESOURCES

Three-Dimensional Learning .....	52A
Performance Expectations .....	52B
Disciplinary Core Idea Progressions .....	52C
Three Dimensions at a Glance .....	52D
Module Planner .....	52E
Inquiry Activity Planner .....	52G
Inspire All Students .....	52I
<b>Discover the Phenomenon .....</b>	<b>52</b>
STEM Connection .....	54

## Lesson 1: Natural Resources

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	58A
Lesson at a Glance .....	58C
<b>Discover the Phenomenon .....</b>	<b>58</b>
Inquiry Activity: Hands On Wash Dishes .....	60
Inquiry Activity: Simulation Firewood from the Forest .....	66

# Table of Contents

## Lesson 2: Reduce, Reuse, Recycle

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	70A
Lesson at a Glance .....	70C
<b>Discover the Phenomenon .....</b>	<b>70</b>
Inquiry Activity: Hands On Sort Recyclables .....	72
Inquiry Activity: Demonstration Make Paper .....	78
STEM Module Project .....	83
Engineering Challenge New Tools From Old Things .....	83
Module Wrap-Up .....	85

### TEACHER RESOURCES

Glossary .....	EM2–EM11
Index .....	EM12–EM13
Study Guide Foldables® .....	EM14–EM15
Visual Kinesthetic Vocabulary® (VKV®) .....	EM16–EM17
Graphic Organizers .....	EM18–EM26

## Table of Contents

### UNIT 3

# Weather and the Sun

## Module: Weather

### MODULE PLANNING RESOURCES

Three-Dimensional Learning .....	2A
Performance Expectations .....	2B
Disciplinary Core Idea Progressions .....	2C
Three Dimensions at a Glance .....	2D
Module Planner .....	2E
Inquiry Activity Planner .....	2G
Inspire All Students .....	2I
Discover the Phenomenon .....	2
STEM Connection .....	4

## Lesson 1: Describe Weather

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	8A
Lesson at a Glance .....	8C
Discover the Phenomenon .....	8
Inquiry Activity: Data Analysis Record the Weather .....	10
Inquiry Activity: Demonstration Measure Weather .....	13
Inquiry Activity: Engineering Make a Windsock .....	14
Inquiry Activity: Simulation Rain Gauge .....	16
Inquiry Activity: Hands On Measure Rain .....	17

## Lesson 2: Weather Patterns

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	20A
Lesson at a Glance .....	20C
Discover the Phenomenon .....	20
Inquiry Activity: Hands On Temperature .....	22
Inquiry Activity: Data Analysis Compare Seasons .....	25
Inquiry Activity: Data Analysis Observe Clouds .....	28
Inquiry Activity: Simulation Patterns and Seasons .....	30

## Lesson 3: Forecast Weather

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	34A
Lesson at a Glance .....	34C
<b>Discover the Phenomenon .....</b>	<b>34</b>
Inquiry Activity: Data Analysis Tomorrow's Weather .....	36
Inquiry Activity: Data Analysis Forecast Weather .....	39

## Lesson 4: Severe Weather

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	46A
Lesson at a Glance .....	46C
<b>Discover the Phenomenon .....</b>	<b>46</b>
Inquiry Activity: Demonstration Make Lightning .....	48
Inquiry Activity: Demonstration Rain, Rain, Go Away .....	52
Inquiry Activity: Hands On Drought .....	54
Inquiry Activity: Hands On Make Thunder .....	56
Inquiry Activity: Demonstration Prepare for Severe Weather .....	58
STEM Module Project .....	61
Science Challenge Make a Forecast .....	61
Module Wrap-Up .....	63

## Module: The Sun and Earth's Surface

### MODULE PLANNING RESOURCES

Three-Dimensional Learning .....	64A
Performance Expectations .....	64B
Disciplinary Core Idea Progressions .....	64C
Three Dimensions at a Glance .....	64D
Module Planner .....	64E
Inquiry Activity Planner .....	64G
Inspire All Students .....	64I
<b>Discover the Phenomenon .....</b>	<b>64</b>
STEM Connection .....	66

# Table of Contents

## Lesson 1: Sunlight on Earth's Surface

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	70A
Lesson at a Glance .....	70C
<b>Discover the Phenomenon .....</b>	<b>70</b>
Inquiry Activity: Hands On Sunlight and Water .....	72
Inquiry Activity: Hands On Surfaces and Sunlight .....	76
Inquiry Activity: Hands On Melt in the Sunlight .....	78

## Lesson 2: Protection from the Sun

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	82A
Lesson at a Glance .....	82C
<b>Discover the Phenomenon .....</b>	<b>82</b>
Inquiry Activity: Simulation Temperatures Throughout the Day .....	84
Inquiry Activity: Simulation Temperatures Throughout the Day .....	88
Inquiry Activity: Hands On Sunscreen and Protection .....	90
<b>STEM Module Project .....</b>	<b>95</b>
Engineering Challenge Design a Structure to Make Shade .....	95
<b>Module Wrap-Up .....</b>	<b>97</b>

### TEACHER RESOURCES

Glossary .....	EM2–EM11
Index .....	EM12–EM13
Study Guide Foldables® .....	EM14–EM15
Visual Kinesthetic Vocabulary® (VKV®) .....	EM16–EM17
Graphic Organizers .....	EM18–EM26

## Table of Contents

### UNIT 4

# Make Things Move

## Module: Forces and Motion

### MODULE PLANNING RESOURCES

Three-Dimensional Learning .....	2A
Performance Expectations .....	2B
Disciplinary Core Idea Progressions .....	2C
Three Dimensions at a Glance .....	2D
Module Planner .....	2E
Inquiry Activity Planner .....	2G
Inspire All Students .....	2I
Discover the Phenomenon .....	2
STEM Connection .....	4

## Lesson 1: Pushes and Pulls

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	8A
Lesson at a Glance .....	8C
Discover the Phenomenon .....	8
Inquiry Activity: Hands On Move the Blocks .....	10
Inquiry Activity: Hands On Move a Car .....	13
Inquiry Activity: Simulation Monkey Business .....	16

## Lesson 2: Direction and Speed

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	20A
Lesson at a Glance .....	20C
Discover the Phenomenon .....	20
Inquiry Activity: Hands On Tug-of-War .....	22
Inquiry Activity: Hands On Kickball .....	23
Inquiry Activity: Hands On Change Speed .....	25
Inquiry Activity: Hands On Move Heavy and Light Objects .....	28

## Lesson 3: When Objects Collide

### LESSON PLANNING RESOURCES

Building to the Performance Expectations .....	32A
Lesson at a Glance .....	32C
<b>Discover the Phenomenon .....</b>	<b>32</b>
Inquiry Activity: Hands On Marbles Collide .....	34
Inquiry Activity: Hands On Bottle Bowling .....	38
Inquiry Activity: Hands On Change Bottle Bowling .....	40
STEM Module Project .....	45
Engineering Challenge Design a Way to Change an Object's Direction .....	45
Module Wrap-Up .....	47

### TEACHER RESOURCES

Glossary .....	EM2–EM11
Index .....	EM12–EM13
Study Guide Foldables® .....	EM14–EM15
Visual Kinesthetic Vocabulary® (VKV®) .....	EM16–EM17
Graphic Organizers .....	EM18–EM26
