Sound Instruction at Your Fingertips

PROGRAM OVERVIEW

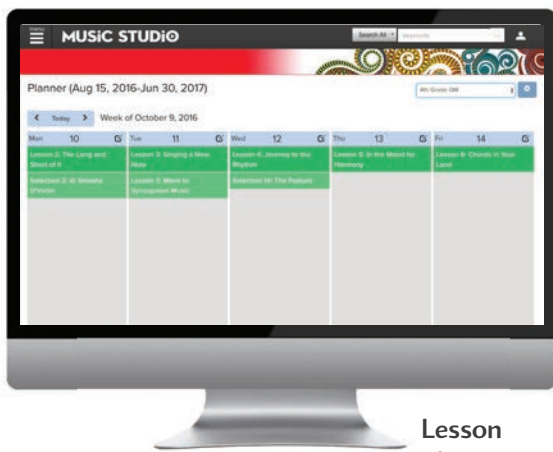

3 Programs. 1 Platform. Infinite Possibilities.

Music Studio is the intuitive digital platform that houses three unique and inspiring products serving PreK-12:

Teacher Homepage

Music Studio places sound instruction at your fingertips and offers customizable programs built on quality literature.

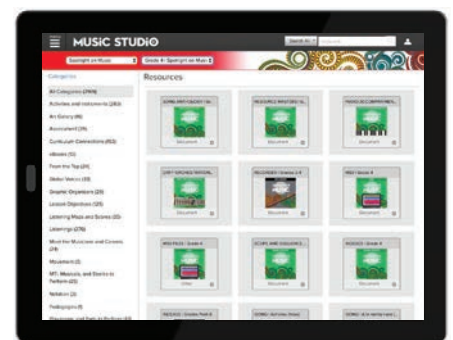

Lesson Planner

Sounds Like a Plan

With Music Studio, all your materials are accessible in one place. Plan inspiring lessons anywhere, on any device, and keep them organized without missing a beat. The Lesson Planning Wizard helps you set up the click-and-go lessons for immediate use over your week, semester, or even year. Make your curriculum happen.

Explore More

Access any of the hundreds of Interactive Songs within a lesson, or filter and search by category and tag on the Resources Page. With Music Studio each and every resource is only a click away and ready to go when you are!

Resources Page

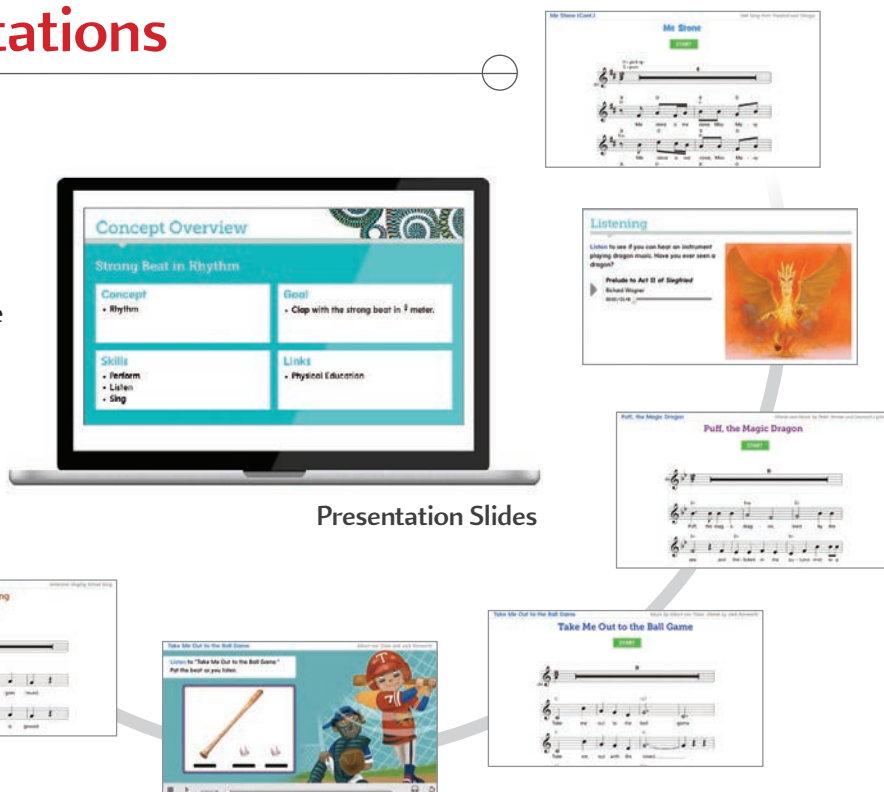

Easy as 1,2,3

With Music Studio, all audio and video is **streamed**, the content lives in the **cloud**, and there are **no downloads** or updates to manage.

Ready-Made Presentations

Each lesson within Music Studio centers around the lesson presentation slides. Whether you use the Planning Wizard or search for a lesson using the online Table of Contents, you can easily launch the pre-made presentations, or customize a presentation with your own content to meet both student and teacher needs. The slides are infused with interactivity, engaging images, and assessments to help you keep the energy high and the learning fun.

Presentation Slides

Find Your Digital Groove

All presentation slides and resources work on interactive whiteboards and can be annotated using the whiteboard tool set.

Connect Without a Connection

Worry less about a working connection!

Music Studio gives you the tools to teach no matter what obstacles come up. With the printed Song Anthologies, you can make music without a device in sight. With the ConnectED App you can download entire Song Anthologies for any grade level in your account. This gives you access to not only the eBook version of the songs, but also to embedded stereo and accompaniment recordings for every song. Once downloaded to your device, this content becomes available to you without an internet connection! The Resource Masters and Piano Accompaniment eBooks are also available so you can focus on classroom instruction.

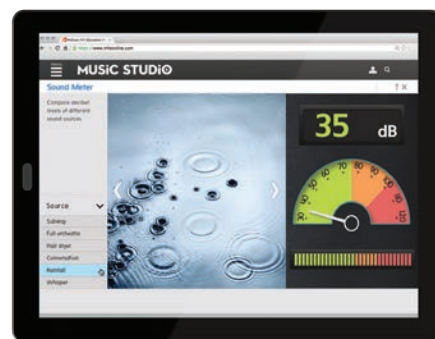

eBook Accessed Through the ConnectED App

Reimagined

Beautiful arrangements, pronunciation guides for non-English songs, representations of culturally authentic instruments, and isolated vocal/instrumental tracks at point of use bring the more than 1,300 selections across the curriculum to life.

Spotlight on Music has been completely transformed to meet your needs and help you deliver quality instruction in a 21st Century way.

Interactive Listening Map

Interactive Listening Maps

Listen with your eyes! Students will love learning more about important pieces from the canon with these striking, animated listening maps.

The maps are incredibly varied to keep things interesting. Many listening maps include games, some are designed to help you teach movement.

Connect with Material You Love

Give your students opportunities to connect with quality literature that mirror what they do outside of the classroom.

Musicals and Stories to Perform

Stories to Perform give younger students opportunities to perform on instruments while building literacy skills.

In partnership with Music Theatre International (MTI), Music Studio offers the best tools to share the magic of musical theatre with your students. From School House Rock, to Music Man, to How to Succeed in Business Without Really Trying, only Music Studio provides authentic Broadway musicals for your music classroom or staged performance.

ACT ONE

STORYTELLER 1 Once on this island's a mythical island set in the French Antilles.

STORYTELLER 2 It tells the story of T. Moussé, a little girl who was orphaned in a terrible storm.

STORYTELLER 3 Being orphaned is a hard time, she was found by an old peasant couple, Marie Lucette and Tancré Julien.

STORYTELLER 4 Marie and Lucé thought were orphans. They took her in and raised her as their own.

STORYTELLER 5 And it wasn't long before T. Moussé grew from a small girl in a town to a beautiful young woman.

STORYTELLER 6 A beautiful young woman with many dreams.

STORYTELLER 7 (STORYTELLER now begins to work in the field)

STORYTELLER 8 And one day, as T. Moussé worked in the field with the other peasants, she saw the handsome Baron Beauchamp come by in a beautiful car. She had met one of the wealthiest great gentlemen, and T. Moussé had never seen anything...

STORYTELLER 9 ...or anyone.

STORYTELLER 10 (T. MOUSSE begins to sing as the PEASANTS gather around her)

Meet the Musician

Dolly Parton (b. 1946) was born and grew up in eastern Tennessee. She has had a very successful career as a singer/songwriter of country songs and was inducted into the Country Music Hall of Fame in 1999. She has also had a career as an actress in a number of movies. Her foundation, *Dolly Parton’s Imagination Library*, has distributed more than 60,000,000 free books to children in the U.S., Canada, Australia, and the United Kingdom every year in order to promote early-childhood literacy.
