Mc Graw Hill Education

Student Access for Online Reading Resources

Wonders

Welcome to *Wonders!*

Your child is currently in a classroom that is using *Wonders* and will be utilizing its online resource. Below is the login information to access the *Wonders* materials from school or home.

Direct your browser to
my.mheducation.com
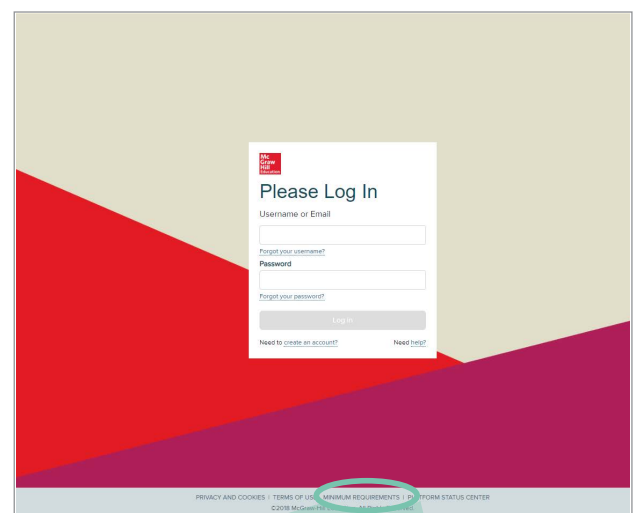

Username: _____

Password: _____

Compatibility Check

Wonders is built to run on most operating systems and devices, yet we recommend that you do a quick compatibility check to make sure everything will run smoothly.

Go to
my.mheducation.com

At the bottom of the page, click on
Minimum Requirements

This will automatically test your system and let you know what updates you might need to get the full utilization of *Wonders*.

Download the Mobile App

A Powerful App—Available Anywhere at Anytime

- Allows students to work in on- or offline mode

- A key instructional tool for digital classrooms

- Students can complete their homework on a tablet or other mobile device, providing 24/7 access wherever they go!

- Access to the Student Edition from anywhere

- Fully interactive—take notes, highlight, annotate, and submit answers

- Allows students to sync with the teacher's device, providing opportunities for feedback and real-time view of student work

Downloading the App

Apple devices
1. Launch the App Store
2. Search "McGraw-Hill ConnectED"
3. Download the App

Android devices
1. Launch the Google Play Store.
2. Search "McGraw-Hill ConnectED"
3. Download the App.

Log Into the App

1. Open the App "ConnectED"

2. Use your username and password for your *Wonders* digital account to log into the App.

3. Select the course you want to access.

4. Select the portions of the book you would like to download to your phone.

5. Once downloaded, the chapter can be accessed offline.

The ConnectED App is available for iPad, iPhone, Android, and Chromebook.
