

# Getting Started with Redbird

## Step 1: Creating Teacher Accounts

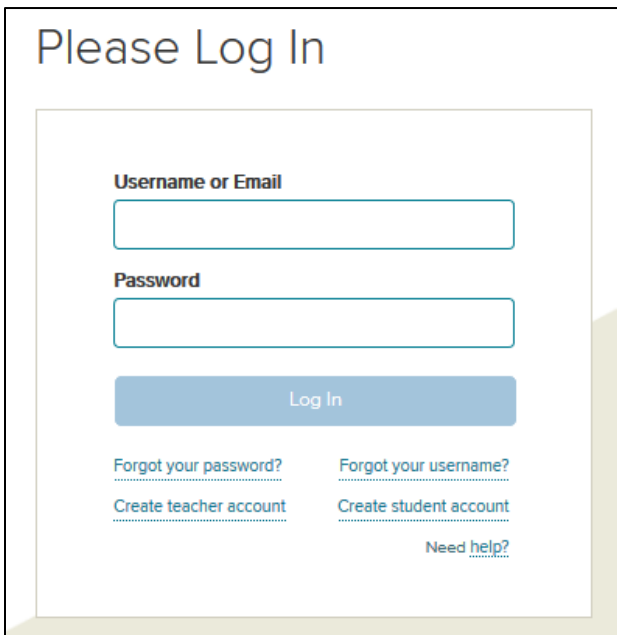

- If you currently have a McGraw Hill/ConnectED Teacher Account then you will not need to create a new account.
- If you cannot remember your password there is a “forgot your password” option?
- If you do not have the 7 character registration code please contact your school administration.

Go to <https://my.mheducation.com>

Select Create teacher account

Enter: Registration Code (Provided by Administration), School Name and School Email Address

Press Create Account

**Please Log In**

**Username or Email**
