# PROGRAM OVERVIEW FOR FAMILIES

Bringing Literature to Life. StudySync is a comprehensive English Language Arts curriculum for grades 6-12 offering all students the opportunity to explore and learn from a robust library of diverse authors and genres in both a print and digital platform.

How Can I Explore the Program?

Log in with your student to see assigned classwork and browse the library. Students can access their student portal from any internet-enabled device.

Is There a Step-by-Step Guide?

For a complete walkthrough of the login process and help navigating and using a student account, please visit the Student Getting Started Guide.

Assignments: a dashboard of all assigned work

Binder: a collection of all completed assignments and feedback

Library: an ever-expanding digital library

No WiFi, No Problem!
Students can also download the StudySync Mobile App for access even when offline!

Tech Tip

Where Do I Get Help?

1. For login assistance, contact your student's teacher.

2. For technical support contact McGraw Hill, Monday-Friday, 7am–8pm EST at 1.800.437.3715.

3. For additional Information, visit StudySync at: www.studysync.com.
