Texas Social Studies suite at a glance...

Discover a groundbreaking, award-winning Social Studies program.

With the right mix of print materials and dynamic digital resources, *McGraw Hill Networks™* will meet you where you are in your classroom today, tomorrow, and in the future.

- ✓ Built to the TEKS to ensure comprehensive coverage
- ✓ Engages students with interactive resources and compelling stories
- ✓ Provides rigorous, differentiated instruction for every learning style
- ✓ Allows you to effectively manage and organize your classroom

Download the ReadAnywhere App
for offline access to content.

Be amazed by *Networks™*, because the story matters.
The story matters, because the future matters.

Meet the TEKS. Master the content.

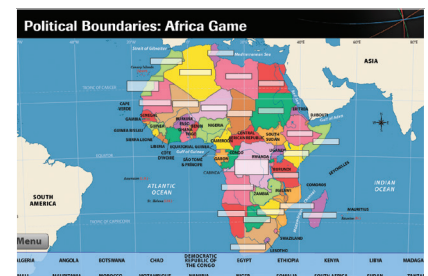

Engage students by helping them explore the world.

Both the accessible, engaging, student-friendly text and the Student Learning Center draw your students into the content. Bring the people, places, and stories to life with rich, interactive visuals, audio, and video.

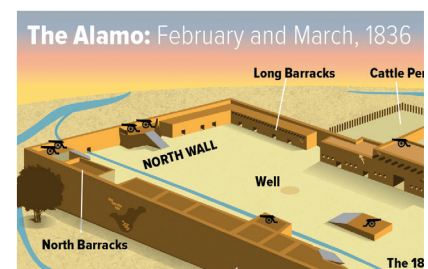

All the Content and Tools Students Need for Success – Anywhere, Anytime.

- Well-written narrative brings the story to life and fully meets the TEKS
- Relevant videos and dynamic visuals for capturing students' attention
- Rich, interactive maps, infographics, and games for digging deeper into concepts
- *Foldables*® reading and vocabulary support to increase reading comprehension
- Projects and activities provide context for hands-on learning
- Game-like, adaptive technology for personalized instruction with *LearnSmart*™

Understanding is the foundation for achievement.

Students who understand the world will be the adults who change the world.

Build understanding with:

- Essential and Guiding Questions for basic understanding
- Reading strategies and vocabulary support to increase comprehension
- “It Matters Because” to explain why the story is important
- Analyzing primary sources as well as document-based questions

Develop effective writing through:

- My Notes note-taking tool for students to jot down thoughts or complete writing assignments
- Writing Activities and prompts to focus on critical concepts
- Writing Activities designed for multiple genres as well as for assessment

Support English Language Learners through:

- Reading and vocabulary help at point-of-use
- Multiple reading levels for student text
- Many student materials fully translated into Spanish
- Content 100% aligned to the ELPS
- Reading Coach Strategies

Stop searching. Start networking.

Spend your time teaching your way.

Networks™ gathers everything you need in one easy-to-use Teacher Lesson Center. Use the McGraw Hill lesson plans and resources or customize your lessons to teach how you want to teach.

- Powerful classroom presentations: premade and customizable, built to the TEKS in every lesson.
- Differentiated instruction and assignments can be tailored to meet the needs of all students, and can be printed or sent to students online.
- Teach with traditional lecture and presentation or discussion groups, flip your class, or integrate project-based learning where appropriate.
- Messaging Center connects you to students.

Plan for Success on Assessments.

Create, customize and analyze assessments.

Take the pulse of your class, customize for each student as needed, and lead them toward the results you are looking for.

▲ eAssessment

▲ LearnSmart™

McGraw Hill eAssessment gives you the power to:

- Meet the TEKS and support success on Texas state assessments
- Check student progress on TEKS mastery
- Modify and print for students with specialized needs
- Customize assessments by selecting questions based on subject, TEKS, lesson, or keyword
- Include multiple-choice, essay questions as well as document-based questions
- Utilize robust reporting tools to monitor individual, class or district progress

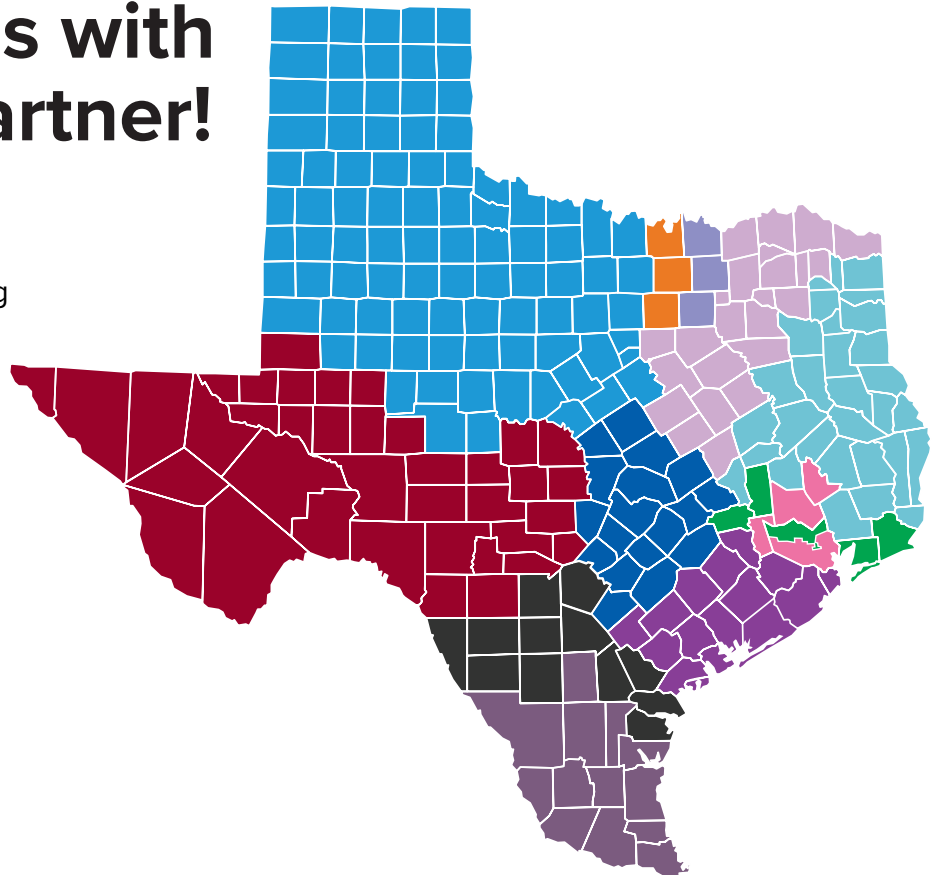

LearnSmart™ will take your assessment prep to the next level. A proven adaptive learning program, *LearnSmart™* offers a game-like environment that helps students learn faster, study more efficiently, and retain more knowledge.

- Pinpoint where students are excelling or where more support is needed
- Differentiate instruction for students and report on year-long progression
- Compare student-to-student, class-to-class, and teacher-to-teacher results
- Provide detailed reports on essential data at the class, school, or district level

Your story continues with McGraw Hill as a partner!

Actions speak louder than words. We prove our commitment to you and your students with:

- Intensive behind-the-scenes technology training
- Program implementation training
- Ongoing support and troubleshooting
