AP[®] Edition (6e) ©2020 Update, Bentley

Stellar Authorship, Unmatched AP Support, and Redesign Ready!

SmartBook, included with the digital resources, pinpoints knowledge gaps and focuses instruction on the concepts that require additional study, delivering a personalized, adaptive learning experience tailored to each student's individual needs.

Traditions & Encounters, ©2020 Update has been updated and fully aligned to the new AP World History course and Exam for the 2019-2020 school year. Integrated AP features in both the text and the digital resources support teachers and students as they transition into the new course Framework.

Retaining the text's thematic perspective, the instruction has been reorganized to reflect the new time span and revised themes, skills, and processes and foster connections that illustrate both continuities and changes across time periods. Students are led to analyze historical sources and evidence as they interpret, draw inferences, and evaluate a variety of documents and understand the context and connections among events. Using historical reasoning, students gain an understanding of how to develop an argument based on relevant evidence.

- **AP Test Banks** match the question type, style, scope, and rigor of the AP Exam.
