

A Narrative of Social History Through Multiple Perspectives

The first AP adaptation of the best-selling college text now in its 9th edition, this narrative is told from multiple perspectives and highlights how diverse actors have been at the center of US history. Focusing on the lives and actions of ordinary Americans helps students to understand that no event is inevitable, and that the actions of the people create historical moments.

Print and digital learning resources for AP success:

- AP disciplinary practices and reasoning skills chapter openers, and key concept correlations help students focus on the AP framework.
- Many Histories allows students to compare source documents that offer contrasting perspectives on key events for analysis and discussion.
- The Historian's Toolbox showcases historical images and artifacts and provides practice of analyzing primary and secondary sources of historical evidence.
- Critical thinking features focus on primary and secondary sources from different eras specifically developed with AP exam rubrics in mind.
- After the Fact visually flags key text and images to support the effective use of evidence in constructing a historical argument.
- AP test practice within each chapter and expanded online test banks help students prepare for the rigor of the exam.
- Teacher Manual is available in print and online.

Experience History: Interpreting America's Past includes access to a robust array of digital resources including an *AP SmartBook*[®], interactive eBook, PowerPoint presentations, assignable resources, AP Test Banks, AP Teacher Manual and more.
