

## Engaging, Accessible, and Fully Aligned

*American Democracy Now* engages students in American politics through relevant content and a rich set of pedagogical tools that develop enduring understandings, align with learning objectives, offer comprehensive coverage of the essential knowledge statements, and provide students with opportunities to apply disciplinary practices and reasoning processes to support success on the AP United States Government and Politics exam. Accessible to students at all levels, the narrative is brought to life through compelling features, such as rich visuals and graphics and the “Then, Now, Next” framework, helping students gain a comprehensive understanding of American government yesterday, today, and through the development of critical thinking skills, tomorrow. Updated discussions of the current political context include the impact of the pandemic and the upsurge in movements calling for racial justice, as well as new considerations about the role of the media in politics and ideological debates on topics such as health care and election interference.
