

Lesson 140

EXERCISE 1: Rate Practice

(You will need a watch or a clock.)

1. You're going to practice writing a paragraph as neatly and as fast as you can.
2. Touch line 10. ✓
Line 10 shows the paragraph you're going to copy. When I signal, write as much of the paragraph as you can in cursive on the lines below. You have three minutes. Get ready. Go.

(Check students and say stop when three minutes is up. Praise students who complete three or more sentences neatly.)

Workcheck

1. Complete your work.
When you finish, check each word you wrote.
2. Make a line under letters that float or sink.
Also make a line under letters that slant the wrong way.
3. Erase each word you underlined and write it correctly. ✓
