Discovering Our Past: A History of the United States brings the people, issues, and events of yesterday to life for today's students with the first truly integrated print and digital Middle School U.S. History curriculum. **Networks** combines print resources grounded in solid pedagogy with a full suite of teaching and learning tools for a flexible, customized learning experience.

- Focus on the big ideas with an accessible student text built around Essential Questions, enduring ideas, and NCSS Standards
- Put students in the middle of the action with The Story Matters chapter openers, Biography features, Step Into Place maps, and Step Into Time timelines
- Maximize comprehension with the Reading Help Desk in each lesson to assist students with reading strategies, note-taking activities, graphic organizers, and vocabulary support
- Build critical thinking and historical analysis skills with Thinking Like a Historian, It Matters Because, What Do You Think, and Connections to Today
- Customize the learning experience with differentiated instruction, leveled reading, customizable assessments and worksheets, and flexible online learning tools
- Bring American history to life with high-interest, cumulative Hands-On Chapter Projects that provide authentic performance assessment. Each project includes an additional Technology Extension activity.
