

Starting Early Learners on the Right Track

Focused, Integrated Instruction

The DLM Early Childhood Express® offers a comprehensive child-centered curriculum with strong teacher support and 21st century technology.

- **Daily Read Alouds** enrich students' imagination.
- **Nonfiction focus** builds background, vocabulary, and oral language.
- **Rhymes, songs, and dances** develop phonological awareness.
- **"How-to science"** teaches observing and investigating.
- **Manipulatives and games** convey math and science concepts.
- **Social emotional instruction** develops interpersonal skills.

The DLM Early Childhood EXPRESS

Focused Instruction

Children learn best by connecting what they know with what they learn. Essential Questions in units connect children to new ideas.

Unit 1: All About Pre-K
Why is school important?

Unit 2: All About Me
What makes me special?

Unit 3: My Community
What is a community?

Unit 4: Let's Investigate
How can I learn more about things?

Unit 5: Amazing Animals
What is amazing about animals?

Unit 6: Growing and changing
How do living things grow and change?

Unit 7: The Earth and Sky
What can I learn about the earth and the sky?

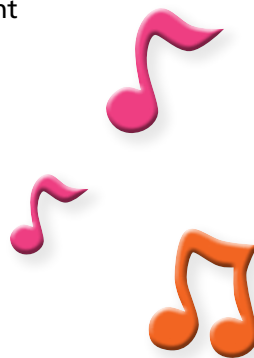

Unit 8: Healthy Food/Healthy Body
Why is healthy food and exercise good for me?

Integrated Instruction

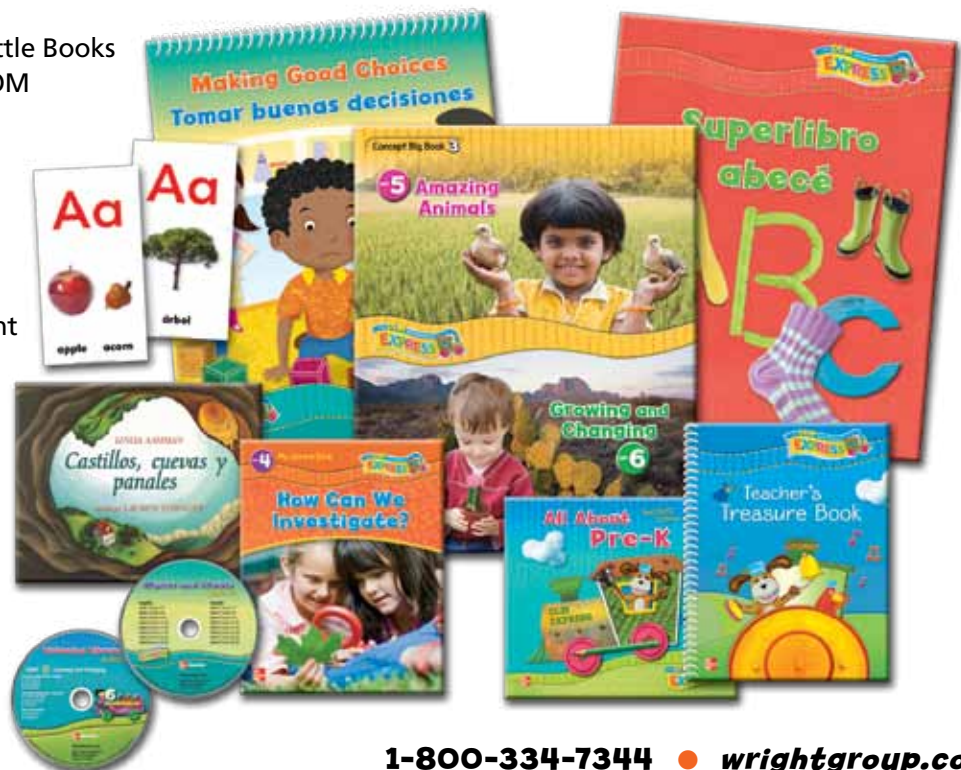

Easy-to-use lessons link essential disciplines to make instruction more relevant and help children recognize patterns in learning.
