(Observe students, but do not provide any feedback or give any answers.)
3. **Let's check your answers for items 1 through 6. If you got an item wrong, erase your answer, and fill in the correct circle.**
 - **Which circle did you fill in for item 1?** (Call on a student.) *D*.
 - **Item 2?** (Call on a student.) *C*.
 - **Item 3?** (Call on a student.) *B*.

5. **Read your answer for item 8. (Call on individual students. Accept answers that are at least five sentences long, tell what Linda and Lester said and tell what happened next.)**

Example:

"What do you see?" Lester asked.

"I don't know," Linda answered. "It's too dark to see anything."

Just then, a loud voice said, "Who's looking inside my house?"

Lester and Linda didn't wait around to answer. They ran out of the forest as fast as they could.

6. (Collect papers. Sentences for items 7 and 8 should be punctuated correctly. Make sure the story for item 8 is at least five sentences long, tells what Linda and Lester said and tells what happened next.)
