Activity: *Cryptogram*

What to do: A cryptogram is a coded puzzle. For thousands of years, cryptograms have been used to send secret messages. Clever people can study a code and figure out the message. In a cryptogram, the letters used stand for other letters. To solve a cryptogram, look at the short words first. For example, a single letter would be a or I. Two letter words that are common are an, at, in, he, and to. Three letter common words are and, the, his, and her. Solve this cryptogram about Huck and Tom.

Here are some clues to get you started.
