**Directions:** Many people in every neighborhood have pets. This story is about a boy and his pet. Read the story, then do Numbers 9 through 12.

My dog's name is Nick. He is big and has long, brown hair. He likes to chase a ball. If I throw a ball, he catches it in his mouth. Brings it back to me. When I'm at school, Nick waits for me. He is standing near the door when I get home. He jumps up and licks my face. Then we go outside for a walk.
