Computer Information Technology

SIMnet is McGraw-Hill Education’s leading solution for learning and assessment of Microsoft® Office skills and beyond! *SIMnet* provides a virtual Microsoft Office environment that is available completely online, through multiple browsers, with nothing to install. Students can practice and study their skills anytime and anywhere!

ON DEMAND LEARNING!

SIMnet is designed with a Student Library feature to help students immediately learn isolated Microsoft Office skills on demand. Students can learn Office applications at their own pace with a unique learning experience for each individual.

MEASURABLE RESULTS!

SIMnet provides powerful, measurable results for you and your students! See results immediately with various reports and a customizable gradebook.
