

Day 2 Wrap Up

Post Check

Read aloud each of the following words one at a time: *chin, inch, wagon, chat, rich, jeep*. Have students identify words that have the sound /ch/. Ask them to tell where the sound occurs in the word. Then write the words on the board, have students read them, and have volunteers point to the letters that stand for the sound /ch/.

Use the Management System CD-ROM for practice and assessment on the skills in this lesson.

Reinforce

- Use the decodable book *Chad Is the Champ* with those students who still need more practice with the /ch/ sound and to review the high-frequency words *after, before, and want*.
- Place the decodable book *Chad Is the Champ* in book baskets for students to read independently.
