

# WRITER'S WORKSPACE

## CLICK | CONNECT | COMMUNICATE

### COMMON CORE ALIGNED

- Writing workshops focus on CCSS-targeted genres
- Pop-up CCSS labeled at instructional point-of-use
- CCSS Edition *Grammar & Composition eHandbook*
- Additional CCSS grammar lessons and practice pages in Student Resources tab

### FLEXIBLE TEACHING OPTIONS

- 100% online platform
- OR
- Add the companion CCSS Edition *Grammar & Composition Handbook* in print

### ENGAGING FOR STUDENTS

- **Online platform**—meet 21st Century students where they are today
- ★ **GRAMMonster! grammar games**—master grammar and mechanics skills in a video game setting
- ★ **GO Tool** and **Interactive Brainstorming Tool**—custom-build graphic organizers using different shapes and colors to make planning fun
- ★ **Glogster EDU**—create interactive posters using Glogster EDU, and make end-of-workshop multimedia projects come to life

### EASY FOR TEACHERS

- **Online platform**—no papers to lug home!
- ★ **Teacher Commenting Tool**—give students immediate feedback throughout the writing process, even when you're not with them
- **Plagiarism Checker**—easy-to-use and free
- ★ **Online Essay Grader**—grade usage and mechanics in a snap, and focus precious grading time on content (fully integrated—*never* pay an extra charge for online essay grading again!)
- **Rubric Generator**—save time and customize rubrics to your specific needs (save for future use, too!)
- ★ **McGraw-Hill eAssessment**—easily create, administer, score, and generate reports online

★ **Exclusive!**
