

Chapter 1: Vocabulario en vivo

- 1 See how many words you can give based on what you saw and heard in the video.
 1. Nora talked about different types of people. She gave some physical traits—what people look like. Write some of the physical traits Nora mentioned.

 2. Nora also gave a few personality traits or characteristics. What are a few she mentioned?

 3. Claudia mentioned various Latino nationalities. Identify a few she mentioned.

- 2 Watch the video again. After describing different types of people, Claudia says that she thinks all her classmates have something in common. Complete the following statement based on what Claudia says.

Todos somos muy _____.
